Re: Official Information Act Request

Kia ora [REDACTED]

Thank you for your request for information under the Official Information Act 1982.

You asked:

Could you please provide me with the number of people served by the DHB who are living with Type 1 Diabetes?

And if possible a breakdown by either:

1. Current age (5-10 year age range) or
2. Age at diagnosis (5-10 year age range).

The Hauora Tairāwhiti response is as follows:

Hauora Tairāwhiti serves 72 people with Type 1 Diabetes over 18 years old. We are declining to provide an age breakdown on the basis of section 18(f), 'the information requested cannot be made available without substantial collation or research'.

Hauora Tairāwhiti serves 19 people with Type 1 Diabetes under 18 years old. 4 are under 10 years old. 15 are between 11-18.

If you are not satisfied with this response you may contact the Office of the Ombudsmen, phone 0800 802 602.

Please note this response or an edited version of this response may be published on the Hauora Tairāwhiti DHB website. Your personal/identifying information will be redacted from any responses published. If you feel that there are good reasons why your response should not be made publicly available, we will be happy to consider this.

Ngā mihi

Jim Green
