Re: Official Information Act Request – Number of staff knowingly working while infected with COVID-19

Kia ora [REDACTED]

Thank you for your request for information under the Official Information Act 1982.

You asked:

For the number of front line medical staff including nurses, doctors and all hospital staff that the Ministry has in circulation who are currently working and knowingly have Covid-19 by the Ministry.

To provide data for the months of Jan, Feb, March, April, May 2022.

The Hauora Tairāwhiti response to your request is as follows:

We have not had anyone knowingly working with COVID 19. All people who have been positive have been on leave until the required days to be past infectivity, and symptom free.

Ngā mihi
