COVID-19 staff update

23 August 2021 AFTERNOON UPDATE

As at 4pm today, Prime Minister Jacinda Ardern announced that New Zealand will be remaining at Alert Level 4 until at least 11.59pm on Friday 27 August. Hauora Tairāwhiti will continue to operate under our Alert Level 4 plans until then.

PPE training

PPE training will be available to staff who need a refresher or haven't completed training yet. There will be sessions occurring on Wednesday, Thursday and Friday this week in the Clinical Skills lab between 10am - 10.30am and 10.30am - 11am. Please talk to your manager or team leader in the first instance if you would like to attend, and register your interest with Susan Egan via email: susan.egan@tdh.org.nz

A video refresher on donning and fit checking is also available via this link: bit.ly/donningandfitchecking

Look after yourself

For many of us, the changes brought about by COVID-19 and Alert Level 4 can cause added stress and pressure on both our work and home life. Check in with yourself regularly. There are a range of EAP (Employee Assistance Programme) and other support resources available on the intranet, or speak to your manager or team leader. Further information will be provided in following updates.

Do you have a QR code displayed?

Please make sure your department has a QR code on display for people using Gisborne Hospital and DHB services to scan. Visit the intranet to source a code specific to your service or department. Contact communications@tdh.org.nz if your location isn't listed.

You are needed

- If you can't do your normal job at the moment, our COVID-19 Response team need you.
- This applies to staff who are vulnerable and staff who have capacity at the moment.
- Please contact Praveena Nair in People and Development pad@tdh.org.nz

You can find these updates on the Hauora Tairāwhiti website on the COVID-19 page.
