

Tairāwhiti District Health Board

Electing 7 Board Members

Rachel LODEWYK

My principal place of residence is in the Tairāwhiti District Health Board area. I am also standing for Gisborne Ward.

"Health" is a broad term for a complexity of issues. I have lived experienced in many areas of the Health Sector. Through this I know what is working for families, where families continue to struggle and what it is that families are looking for. There is a real frustration and at times unfairness with the services available for regions and especially Tairawhiti.

Health needs to be approached from many angles, healthy life styles, access to services, and education to name a few. I am motivated to be a part of the team whose role it is to improve, promote and protect the health of the people in this community.

Conflict of Interest Statement

I hereby disclose the following conflict of interest with the Tairāwhiti District Health Board at the date of my notice of consent to being nominated as a candidate: I work for CCS Disability Action as a Supported Employment Coordinator.
